

Meeting at St. Martin's Tomorrow

March is Water and Sanitation
Month

St. Martin's is delighted to welcome the Rotary Club of Brookhaven to campus tomorrow, March 11! I have not heard from everyone yet to get a count for tomorrow's lunch. If your name is on the list at the bottom of this email, I have NOT heard from you. Please drop me an email and let me know whether you will be having lunch with us tomorrow. Parking is tight on campus, and we CANNOT park in any spots marked CLERGY or CHURCH PARKING. However, there are a number of medians and planters with gray concrete borders, and if you cannot find an empty spot, you may park along those for the time that we will be on campus tomorrow. As you drive through the lot, you will see a circle drive with "At St. Martin's, we Celebrate...Faith..Kindness...(etc.)" You will want to park and then take the sidewalk that goes directly under the word "Celebrate." That will lead you directly to the front doors of our Middle School (building #4, with a large, white 4 on the upper left corner of the building).

I do not have an RSVP from the following members. If yours got misdirected or lost in my email box, please just drop me another note. Thanks!
